### Kit Nash – Court Program – St. Albert, Stony Plain and Morinville Court

Tell us about your work?

“I spend my workdays in courthouses. It likely doesn't sound fun to many people but I love it. I try to assist both youth and adults who are appearing in criminal docket court by providing information about the court process and criminal justice system in Canada, facilitating access to legal resources, and ensuring everyone communicates with the proper stakeholders.”

What do you like best about the work you do?

“I have been fortunate to work with some wonderful court staff, volunteers and legal counsel, both prosecution and defense. I love going to work and meeting new people each day.”

Tell us something about yourself outside of Efry?

“In my time off, I enjoy knitting, composting, gardening, bargain hunting at consignment shops and fostering kitties (just until they find their ‘forever’ homes) as well as time with my husband and our own three kitties and our dog, Lucy. This summer I also hope to become a beekeeper.”

*“Kit is an amazing addition to our Court Staff - and we always look forward to the days she can spend with us! She is always upbeat, with a friendly face and a quick smile! And she makes great cookies!!” – Christine Stevens, Co-worker*

*“Kit is so kind and compassionate to each and every person she comes into contact with! We are so lucky to have her as part of our team; her knowledge and caring makes her an amazing court worker.” – Sonja DeAeth, Court Manager*

*“Kit goes over and above by stepping up to cover other programs as well as the Courts, like she has done at the EAC and with Stoplifting. She is always cheerful even when coming in even on short notice and on a day off. She is always well prepared and well informed, she is absolutely committed to the wellbeing of the women and men we work with, and is a pleasure to work with her.” – Kathleen Oldring, Manager*
